

Trust Router operators

Currently there is one Trust Router operator:

- [Jisc Assent](#) in the United Kingdom, operated by Jisc (formerly JANET). Its portal is the [Jisc Assent portal](#). Jisc also operates the [Moonshot Test Network](#) (the Moonshot Playpen) on behalf of the Moonshot project.

There are also other private trust router pilots in progress.

To find out more about the Trust Router, visit the [Trust Router space](#). *Work In Progress*
